

# 2018 St Stephens Softball Jamboree

## Softball Coaches,

I hope that your 2017-2018 school year is off to a great start and you are looking forward to the upcoming softball season. As in previous years we are looking for ways to play against some of the best competition the state has to offer in order to improve. This year, we continue our partnership with the city of Hickory and are again hosting two separate St Stephens Softball Jamborees. You can attend both if interested. The first will be held on Saturday, February 17, 2018, and the second will be Saturday, February 24, 2018 at the Highland Recreation Center near Lenoir Rhyne University. With the start of our season being the week of the 12th many coaches will use this as a part of their tryouts. It is a good way to see how a player will do in real game situations. We will continue to host two separate jamborees in order to try and honor each schools request to attend. Therefore there will be NO rain/snow date for either jamboree. The City of Hickory will make the final decision if weather becomes an issue.

Each team will be guaranteed at least 3 one hour scrimmages. Each team will need to supply two new game balls to use for each game. The cost for this year's scrimmage is again \$100 per team (this will help cover the cost of the fields and officials). We will be accepting the first 10-12 teams to respond by sending in their confirmation by email or phone contact. Checks for \$100 should be mailed to:

**St Stephens High School**  
**Attn: Jan Davis**  
**3205 34<sup>th</sup> St Dr. NE**  
**Hickory, NC 28613**

We hope that you are interested and excited about this opportunity to play against some of the quality competition North Carolina has to offer. Feel free to email us with any questions/concerns that you may have. Please commit as quickly as possible so that we can hold your spot in this year's scrimmage. Spots fill up quickly so hurry and don't be left out!!
