

North Carolina Softball Coaches Association 2020 All-State Players

In 2020, the NCHSAA softball season was suspended effective March 13 at 11:59 PM and later cancelled entirely due to the Coronavirus pandemic. The number of games played by teams ranged from 2-6 statewide with most playing 4-5. A decision was made by NCSCA that the number of games played fell far short of a minimum necessary to enable fair assessment of talent and therefore post-season awards would not be feasible.
